The Independent Mortgage Brokers Association of Ontario operating as Canadian Mortgage Brokers Association – Ontario has created the Policies and Procedures Manual (the manual) for the purchaser's convenience. The manual does not and can not take into account the specific circumstances or needs of the purchaser because of the wide variety of practices of individual brokerages. Consequently, the information the manual contains is general in nature and does not constitute financial, legal or other professional advice. The manual should not be used or relied upon as a substitute for the user's responsibility to ensure compliance with all legal and regulatory requirements. Brokerages must update and supplement the manual at their own cost and effort to ensure that it is current and meets all regulatory and legal requirements as well as their specific needs. CMBA Ontario reserves the right to supplement the manual solely at its discretion. CMBA Ontario makes no representations or warranties regarding the manual, express or implied, and in particular disclaims any representations or warranties regarding the completeness, currency, accuracy, merchantability, non-infringement and/or fitness of any particular purpose of the manual. CMBA Ontario has no liability under any theory of liability (including in contract or tort or negligence) for use or misuse of the manual including any transaction, or penalty howsoever levied, including any penalty levied by the Financial Regulatory Services Authority of Ontario. The Manual is not to be shared or distributed outside of the brokerage that it has been issued to.

Please note: the Manual will be sent via email in PDF format.

In the event I do not sign this document, payment of fees shall imply consent herein.
